

**Research Workshop on Primary Sclerosing Cholangitis associated with
Inflammatory Bowel Disease:
Designing the basis for a European prospective research**

Padova, 28th – 29th August 2023
Hotel NH Padova

Scientific Committee: Nora Cazzagon, Annika Bergquist, Henriette Ytting,

28th Aug 2023

13.00 – 13:50	Arrivals of participants	
13:50	Welcome of participants from Padova RARE-LIVER	Fabio Farinati Mara Cananzi Annarosa Floreani
14:00	Presentation and introduction of the workshop	Nora Cazzagon, Annika Bergquist, Henriette Ytting
14:10	The PSC ERN R-LIVER registry	Christoph Schramm
14:20	PSC-IBD: the patient perspective	Martine Walmsley
Session 1: Impact of IBD activity on PSC and risk of colorectal cancer Chairs: Christoph Schramm, Maria Papp, Alessandro Armuzzi, Nora Cazzagon		
14:40	Clinical case 1	Mara Cananzi Luca Bosa
14:55	IBD activity, colorectal cancer development and PSC progression in PSC-IBD	Annika Bergquist
15.15	Endoscopic and clinical activity scores and their applicability in PSC-IBD	Johan Burisch
15:35	Histological scores and their applicability in PSC-IBD	Ann Driessen
15:55	Discussion	Chairs
16:10	Proposal of the speakers: how to register IBD activity in PSC in the R-LIVER registry?	Annika Bergquist
16:15-16:45	Coffee break	
16:45-17:30	Discussion in 4 subgroups	Annika Bergquist, Ann Driessen, Johan Burisch, Maria Papp
17:30-18:15	Plenary discussion of the proposal and summary of the first day	Christoph Schramm Nora Cazzagon
20:00	Networking dinner	

29th Aug 2023

08:30	Welcome and introduction to day 2	Nora Cazzagon, Annika Bergquist
Session 2: Treatment specificities in PSC-IBD Chairs: Cyriel Ponsioen, Henriette Ytting, Florence Lacaille, Konstantinos Karmiris		
8:45	Clinical case 2	Sergio Rodriguez Maria Londoño,
9:00	Results of the survey on PSC-IBD treatment	Henriette Ytting
9:15	Drug therapy of PSC-IBD: what drug is preferred in adult PSC patients before liver transplantation?	Edoardo Savarino
9:30	Drug therapy of PSC-IBD: what drug is preferred in pediatric PSC patients before liver transplantation?	Patrick van Rheenen
9:45	Risk of PSC-related complications by extensive immunosuppression	Henrike Lenzen
10:00	Discussion and defining a research agenda	Chairs
10:30-11:00	Coffee break	
Session 3: IBD course before and after liver transplantation Chairs: Patrizia Burra, Charlotte Hedin, Marco Carbone		
11:00	Proctocolectomy before liver transplantation: indications and outcomes	Charlotte Hedin
11:15	IBD activity and the risk of rPSC	Johannes Hov
11:30	How to treat and monitor PSC-IBD patients after liver transplantation	Palak Trivedi
11:45	Discussion	
11:55	Clinical case 3	Anna Mrzljak Ana Ostojic
12:20	Clinical case 4	Martina Gambato Elisa Catanzaro
12:45	Summary and concluding remarks	Chairs
13:15-14:00	Lunch break	

Session 4: Pouchitis and pouch failure in PSC-IBD Chairs: Imerio Angriman, Pierre Ellul		
14:00	Clinical case 5	Barberio Brigida Matteo Peviani
14:15	How to manage pouchitis and pouch failure in PSC-IBD	Gianluca Pellino
14:30	Discussion	Chair
15:00	Summary of the workshop and feedback from participants	Nora Cazzagon, Annika Bergquist, Henriette Ytting

Scientific committee contact: nora.cazzagon@unipd.it

Organizing committee contact: Valeria Siscaro eventi.discog@unipd.it

Funding Information:

This Networking event has received funding from the European Union's Horizon 2020 research and innovation programme under the EJP RD COFUND-EJP N° 825575.

This networking event has received funding from the Department of Surgery, Oncology and Gastroenterology, University of Padova, Italy.

Location

The workshop will take place at the NH Hotel Padova, via N. Tommaseo 61, 35131 Padova, Italy

Travel and accommodation information:

The fund will cover expenses for flight/train ticket to Venice, transfer from Venice airport to Padova, hotel and meals for all the confirmed participants.

Participants who are willing to participate to the workshop need to contact the organizing committee that will be responsible of confirming registration, reserve hotel rooms, organizing the trip to Venice airport and the transfer from Venice to the NH Hotel in Padova. Participants are not requested to organize the trip on their own.
