

Proposal for ERN RARE-LIVER workshops in 2025

The ERN RARE-LIVER plans to fund workshops of disease working groups and other initiatives in 2025. In total **50.000€** are available to distribute between all accepted proposals with expected 10.000 to 20.000€ per workshop. Accepted proposals will receive a budget for conducting the workshop, which will be reimbursed after the workshop in one lump sum to the organiser.

Name of the planned workshop:

Name and institution of the proposer:

Background and justification of the proposal (no more than 200 words):

Proposed number of attendees:

Proposed centre/venue in city:

Proposed date or timeframe:

Additional funding planned besides ERN RARE-LIVER¹:

Estimated costs² with breakdown for individual cost categories:

<u>Accommodation</u>	<u>Travel</u>	<u>Venue</u>	<u>Catering</u>	<u>Scientific dinner</u>	<u>Other</u>
Please check ceiling amount for EU unit costs for accommodation per member state	Please check ceiling amount for EU unit costs for accommodation per member state			(max. 60€ per person)
